3. **Financial report:** Current balance £3,445.88. Abigail's Party is currently in profit to £499, but some invoices are still expected. Several invoices are awaited for Pack of Lies.
4. **Autumn Production: Pack of Lies** – good audience numbers (> 200) and overall a very successful production. Few minor set / lighting issues and may have benefited from a pure tech run through. In future we need to consider resource levels for set building and whether the painting could be done at Alconbury and flats transferred to the Hall. The quiz brought in contact details of 54 people instead of the usual 30-35.
